The ratings are published monthly via internet or the website by the I.B.O. All rights reserved. Although the ratings are based on sources which are believed to be reliable, accuracy cannot be guaranteed. These ratings are the official ratings of the I.B.O. The use by others should be considered for information purposes only at the user's discretion. The ratings are produced by the collation of information based on results of fights. Points are allocated for winning fights the number determined by the quality of opponent. Fighters are normally considered inactive when they have not fought in one year unless currently scheduled to fight. We rate the boxer in the weight class where we feel he is most likely to compete. If we are missing fights of a boxer or are publishing incorrect information please contact us. If you feel your boxer should be rated higher and he has beaten a fighter now rated higher than him in the last 12 months please contact us, iboratings@aol.com.
