Mr. Ed Levine
328 Minorca Ave.
Coral Gables, FL 33134

Dear Ed,

On behalf of the Florida Boxing Hall of Fame, I want to personally congratulate you on being chosen to be inducted with our class of 2014. As you know, the state of Florida has long been one of the leading states in the country in regards to the sport of boxing. The creation of the Florida Boxing Hall of Fame, to honor those who have had a longtime commitment and success within our sport, was long overdue. We are proud to have accomplished this goal, and are extremely proud to honor you for your considerable achievements with your formal induction on Friday, Saturday, and Sunday, June 20, 21, and 22, 2014, in Tampa, Florida at the Sheraton Tampa East. We are looking forward to a spectacular weekend.

During our induction weekend, all living inductees will receive a beautiful Hall of Fame Ring, a Special Plaque, and framed Certificate. We will have many activities, such as a gala dinner, fist casting ceremony, cocktail party, amateur boxing show and breakfast with the inductees, memorabilia show, ringside lectures, book signings, question and answer sessions, and photograph and autograph sessions, etc., with the inductees.

Each year we have a large turnout of past and present inductees, family members who attend our event.

Again, congratulations and best regards,

Sincerely,

Walter "Butch" Flansburg,
President
